Read:- 1) Board's Ref: F.II. 129769/48 dated 13-10-1948.
2) Letter No. W.5 20194/48 dated 12-10-1948 from the Collector of South Kanara.

In continuation of its reference read above, the Board submits to the Government a copy of the letter received from the Collector of South Kanara.

2. The Board agrees with the Collector of South Kanara that it is necessary to have a special staff to bestow particular attention to enumeration work to weed out bogus cards and persons. This work cannot be entrusted to the regular Tahsildars and procurement staff as they will be busy with procurement work and the work relating to enumeration and introduction of informal rationing will be delayed if special staff is not appointed for the purpose. The Board, therefore, requests that sanction may be accorded for the employment of an additional staff of 1 Tahsildar and 7 Special Revenue Inspectors (in the grade of Lower Division Clerks) for work connected with the introduction of informal rationing in the South Kanara District, for a period of 2 months from the date of appointment or till the need ceases whichever is earlier.

Sir,

Intensive procurement and Informal rationing - Re-introduction - additional staff for statistics and enumeration - sanction requested.

The intensive procurement is going on in the district. The procurement staff which consists of one Asst.Taluk Supply Officer for each taluk and one for each sub taluk (nine in all) and a Firka Supply Officer for each firka (28 for the district) are very busy enforcing the procurement order, namely, seeing to the writing of registers, issue of demand notices etc. Informal rationing has to be introduced quickly in view of the fact that non-producers cannot supplement their relief quota by recourse to open market. Fresh enumeration is quite essential, if rural rationing has to be introduced as the village enumeration registers prepared sometime ago are quite obsolete. As the harvest is almost complete throughout the district and as the intensive procurement order has been promulgated a little later than was necessary, the procurement staff together with the regular revenue staff cannot take up the work of village enumeration also and issue fresh cards. I therefore request that theBoard may be pleased to obtain Govt. sanction for the following additional staff to attend to this item of work in the interest of ration card population which is hard hit by the present meagre relief quota.

1. One Special Revenue Inspector (L.D.C) for each taluk and one for Hosdrug sub-taluk (7 in all)
2. One Tahsildar to supervise the work of enumeration done by the above and also to gather statistics required in connection with both procurement and rationing.

Sanction for the Spl.Revenue Inspectors and the Special Tahsildar may be applied for a period of two months from date of appointment. I have consulted the Provincial Controller of Food Rationing who is camping here and he has agreed that the staff asked for is absolutely necessary. Lots of representations are being received for the early introduction of rural rationing and so I request thatthe Board may be pleased to communicate the order by telegram pending approval by Government.

C.No.46618E/48.

Sub: Establishment - Procurement and Informal Rationing - Reintroduction - South Kanara District - Additional staff for enumeration work - Proposals.

Ref: From the Board of Revenue(C.S) Ref.No.F.II-129769/48(CS) dated 20--10--48.

To A.S.

The Board's reference at p. 1 c.f. and the report of the Collector of South Kanara at p. 3 c.f. may be perused.

The proposal in the file is to sanction the employment of an additional staff of one Tahsildar and seven special Revenue Inspectors in the grade of lower division clerks for a period of two months from the date of their appointment for work connected with the enumeration and introduction of informal rationing in the South Kanara District. The Collector's report at p. 3 c.f. explains the need for the proposal. The Board of Revenue(C.S) has permitted the Collector to employ the staff in anticipation of sanction and it has now come up to the Government for necessary sanction of the proposal. The following remarks seem called for in this regard. Besides the staff of 9 A.S.T.Os. and 28 F.S.Os., ~~and~~ an additional staff of one Tahsildar and seven Special Revenue Inspectors is now proposed for employment for a period of two months as the procurement staff together with the Revenue staff cannot attend to the work of enumeration and issue of fresh cards. The reasons given by the Collector for a separate staff ~~do~~ not seem to be convincing. It should be possible for the existing staff to work after ~~work~~ informal rationing also. No separate staff appears to have been sanctioned for this purpose in the previous years. If the present proposal of the Board of Revenue(C.S) to employ a separate staff for enumeration work is to be accepted for South Kanara District, then similar staff may have to be sanctioned in respect of other districts also when district-wide procurement and informal rationing are reintroduced, thereby entailing additional expenditure to the Government. In the circumstances it is for orders whether the proposal to employ a separate staff as at 'A' on p. 1 c.f. for enumeration work only will be considered necessary and sanctioned or whether it will be straightaway ~~xx~~ negatived and the Board asked to disband the staff already employed, in which case the employment of the staff upto the date of disbandment may however be

be sanctioned.

Finance may see for remarks.

Paddy procurement in S. Kanara dt as well as in other dts where the intensive procurement order has already been enforced has been ordered to be postponed till 15.11.48, in view of the meagre crop obtained from the recent harvest.

The Board has explained the necessity for the Special Staff in para 2 of its reply (F/CF). It may be accepted. The Staff has been employed in anticipation of sanction. - para 3, F/CF. The Board may be informed, while according sanction to its proposal, that the work shd be finished & the Staff disbanded on or before 31.12.48 and that no proposal for extension will be considered

Note on ff 1-2 above may be perused. The cost on account of the additional staff of 1 Tahsildar and 7 Upl. Rev. Inspectors is Rs 1920 for two months. From 'H' on f 1 above it seems that no separate staff was sanctioned for the purpose in previous years. In view however of the remarks of Secy Food at 'I' on f 2 above it to add staff for 2 months may be for orders whether the proposal may be accepted in this Deptt. The staff has already been employed & S. Khanna's case will have to be treated as special.
